VORTOJ DE LA PREZIDANTO

KIOM VALORAS ESPERANTO? Dum mia mondvojaĝado tra 47 landoj mi vidis multajn Esperantistojn en landoj riĉaj kaj malpli riĉaj. Okaze mi renkontis en Usono samideanojn kun konstantaj salajroj kiuj diris al mi ke ili "ne povas" pagi kotizojn al la nacia kaj internacia Esperanto-organizo, ofte "eĉ ne" por la nacia sole.

Sed mi vojaĝis en landoj kie ekzistas samideanoj kiuj ricevas salajron de nur \$10.00 ĝis \$15.00 por laboro de tuta monato en privataj oficejoj aŭ eĉ en poŝtofojejoj. Per tiuj malaltaj salajroj ili devas vivteni tutan familion, sed tamen, ili estas fidelaj membroj de Esperanto-societoj. En tiuj landoj la kotizoj por la loka, nacia kaj internacia Esperanto-organizo signifas la salajron de unu ĝis du semajnoj.

En Norda Ameriko certe ne ekzistas multaj samideanoj kiuj ricevas tian malaltan salajron - eĉ ne por la laboro de unu semajno. La plej multaj samideanoj en nia teritorio devas labori nur unu aŭ tagojn por gajni la necesan monon por pagi la Esperanto-kotizojn kaj eĉ por aboni diversajn Esperanto-gazetojn.

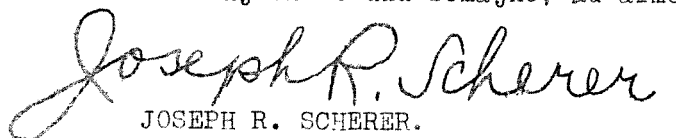

Post la supraj konsideroj certe neniu samideano plu hezitos alspezi almenaŭ \$1.50 por la membreco en la nacia asocio (aŭ se eble \$2.75 kun la plena membreco en UEA kaj la jarlibro). Ĉu Esperanto ne TIOM valoras al vi?

Jam nun Esperanto estas tre utila ilo por multmiloj da gesamideanoj en multaj landoj. Jam nun Esperanto vivas kaj servas al la homaro. Armeo da gesamideanoj rilatas amike inter multaj diversaj nacioj. Jam nun Esperanto estas internacia lingvo - eĉ se ne ĉiuj homoj ĝin parolas. Ne ĉiuj homoj komprenas la anglan lingvon. Tamen ĝi estas internacia lingvo en certaj rondo. Simile la franca kaj la germana lingvoj estas internaciaj lingvoj en aliaj rondo.

Ne ĉiuj homoj komprenas muziknotojn. Ne ĉiuj povas kompreni axb , nek H^2O . Spite de tio tiuj tri signolingvoj estas internaciaj lingvoj. Ili estas ege utilaj al la edukita mondo. Same ankaŭ Esperanto jam nun estas faktoro en la moderna vivo. Jam hodiaŭ saĝaj homoj ne plu ridas pri Esperanto. Ni Esperantistoj scias ke nia lingvo estos iam pli utila kaj pli valora al la homaro ol la aŭtomobiloj, ŝipoj kaj eĉ la aeroplanoj. Esperanto estos tiel granda beno kiel ni hodiaŭ eĉ ne povas imagi.

Kiam ni tiel pensas pri nia nobla idealo ni tuj konscias ke sur niaj ŝultroj kuŝas granda repondeco. Ni scias ke nia generacie ne plene povos profiti de la pli poste ĝenerale parolata internacia lingvo por kiu ni laboras. Ni ankaŭ scias el propra sperto ke Esperanto, per sia interna forto, faras fratojn el fremduloj, kaj amikojn el malamikoj. Ĉu do ne estas nia sankta devo fari NIAN PARTON por la disvastigo de tiu lingvo? Niaj nepoj nin benos!

Ĉu ne valoras oferi al tia grandioza movado la salajron de unu semajno, aŭ almenaŭ unu tago??

JOSEPH R. SCHERER.

Ĉar evidente multaj gesamideanoj tute forgesis KIAM ili denove devis pagi siajn kotizojn, laŭ mia peto, informo pri tio estas sendata al la koncernaj gesamideanoj inter la paĝoj de tiu ĉi numero de Amerika Esperantisto.

REPORT OF THE FINANCE COMMITTEE
(October 15, 1935)

Last month we submitted a brief summary of our progress in the drive to reduce E.A.N.A.'s debt and promised at the same time a more detailed report in the November issue of Amerika Esperantisto. With replies from sixty-one members (slightly less than 18%) we are pleased to report the receipt of forty donations totalling \$188. In addition we have a number of pledges--some definite, some indefinite, and others more or less conditional. In our desire to make the month's showing as encouraging as possible we were at first tempted to include an estimate of these pledges. On reflection, however, it seemed wiser to adhere to the more conservative practice of listing the pledges in future reports as they are fulfilled. We submit the following list of donations received since the beginning of the drive and invite your attention to COLORADO, the first State to show complete returns:

That such splendid results have been achieved with replies from less than one fifth of our members only serves to rekindle our ambition to make the final returns one hundred per cent complete. We are mapping out three territories with a member of the Committee in charge of each. Within a few days the Committee member in charge of your territory will begin a thorough recanvass of those who have not responded to the initial appeal. This work will entail considerable personal correspondence and some expense. You can help us to lessen both by mailing your reply before your name is reached for recanvass. May we again remind you that checks or money orders should be made payable to The Esperanto Association of North America but mailed to the Chairman of the Finance Committee (Fred H. McMann, 169 Hoosick Street, Troy, N. Y.). If you wish, you may pledge your donation to be paid later. Whatever your decision may be, we urgently request your cooperation in our efforts to complete the canvass at the earliest possible date.

The other members of the Finance Committee are: Wm. G. Adams, 219 Public Safety Bldg., Seattle, Wash. and H. B. Hastings, 630 Washington Bldg., Washington, D. C.

Section 3. There shall be an executive committee, consisting of the President and Secretary of E.A.N.A. serving ex officio, and a third member elected by the congress for a term of two years, term being arranged to expire at the same time with the terms of the Vice-President and the Treasurer. For the purpose of effecting an orderly transition to this arrangement from the arrangement effected by "Amendment II," of 1930, the Executive Committee for the year 1935-36 shall consist of the President, the General Secretary, and the two previously elected members whose three year terms shall not have expired; and for the year 1936-37 the committee shall consist of the President, the General Secretary, and the one previously elected member whose term shall not have expired. The President by virtue of his office shall be Chairman of the Executive Committee, except for any period of time when he may find it desirable to designate another member to serve in his place as Acting Chairman.

Section 4. Any such commission shall run until the next succeeding annual Congress of this Association. It may be renewed for the following year, and so from year to year, or a new commission issued to another person, upon evidence satisfactory to the Executive Committee that the members of said division have agreed to recommend the same person or a successor.

Section 5. The Executive Committee shall consult with the Councilor, wherever such officer exists, before deciding on any matter bearing a special relation to his division or to any part of it, except where an immediate decision shall be considered imperative. It shall be the duty of each Councilor to render to every Congress, a detailed written report of the state of his division and of the work of the year therein.

The committees shall continue to function until the appointment of their successors.

Section 3. Each committee shall have such powers and perform such duties as are naturally indicated by their respective titles; but always subject to instructions given them by the Congress, and subject to the general authority and direction of the Executive Committee between Congresses.

ARTICLE VI. Dues.

Section 1. In addition to Life Members, hereinbefore provided for, there shall be the grades of dues-paying members named in the succeeding sections of this Article.

Section 2. Regular members shall pay one dollar and fifty cents (\$1.50) a year, in case they shall desire, in addition to their E.A.N.A. membership, to be only "simple" (inactive) members of the Universal Esperanto Association. Those who shall further desire to be "active" or "subscribing" or "sustaining" members of U.E.A. shall pay \$1.50 to E.A.N.A., in addition to the appropriate U.E.A. charges prescribed by that organization. Regular members of E.A.N.A. shall be entitled to all rights and privileges of the Association, including the receipt of its official organ or bulletin, also the right to vote; and eligibility to the elective or appointive offices of the Association, in such manner as elsewhere set forth in this Constitution.

Section 3. The fiscal year of the Association shall be from June 1 to May 31 inclusive; and it shall be the duty of the Treasurer to submit to the Finance Committee, promptly after May 31, the Financial report of the year for audit. The Finance Committee shall complete its work thereon in time for the presentation of the Treasurer's report duly audited to the annual Congress.

Members may vote by proxy on amendments in the same manner as for officers. The Congress shall have the power to revise the wording of amendments duly before it, or to adopt restrictive, or limiting words or clauses, but not to add matter new in substance or tending to extend the scope of the amendment.

PRELIMINARY REPORT ON THE SEPTEMBER CONTEST

Our friendly competition of wits on the varied idiomatic uses of the English word "got" resulted in receipt of painstaking responses from eleven participants. Their versions, as graded by Honorary President H. W. Hetsel, have resulted in a tie for first place between Miss Olive V. Marsh of Long Beach, Calif., and J. J. Susmuth of Humber Bay, Ont. Next after them, there is another tie for third place between David R. Pook of Toronto, Ont., and G. A. Field of Southampton, Pa.

Because the present (November) number is being devoted to the one purpose of giving all our members an up-to-date reprint of the Constitution of our Association, we have "got" to postpone until the December issue our more detailed report on the "GOT" contest, - which will include a printing of the preferred and of the permissible translations of the nine proposed idiomatic sentences.

For the same reason we have "got" to postpone till next month the announcement of a new and different contest

INSTEAD OF SPENDING a quarter for two or three greeting cards to as many friends why not, for the same quarter (or another), send your Christmas or New Years Greeting to EVERY READER of the "American Esperantist"? HERE'S HOW. Send 25¢ to the Central Office for a card with a dozen greetings-numbered. Select the Greeting you wish to extend and return us. In the December issue the same list of greetings will appear. Your name will be printed under the greeting you have selected.---Don't crowd-plenty of room. This plan ought to put a complete list of members in the hands of each. We're willing! (Send not later than November 15)

SUGGESTIONS REACH US FREQUENTLY for the upbuilding of our organization. All are appreciated BUT as each calls for expenditure to put in operation, they have to be filed for future reference. BUT HERE IS ONE that is exceptional: "THE PAINLESS ENROLLMENT". The applicant for tuition is told that "While tuition is free, we want every Esperantist to be a member of our Association. You pay ten cents each lesson night, at the 15th you will have paid \$1.50 which will make you a full fledged member of the Esperanto Association of North America. The Secretary will issue a membership card and send the "American Esperantist" to you for one year-monthly". It looks so good that the first teacher sending in five members secured in this way will get a hand-painted photograph of Dr. Zamenhof-8x10. GET BUSY.
