VORTOJ DE LA PREZIDANTO

KIOM SAĜAS NI ESTAS? Antaŭ kelkaj jaroj, okaze de mia mondvojaĝo, mi ie vizitis frenezulejon. Mi miris ke nur malmultaj helpantoj tenis ordon en la granda institucio en kiu troviĝis multaj danĝeraj enloĝantoj.

Mi esprimis mian miron al la direktoro. Sed li klarigis al mi: "La frenezuloj ne organizas sin. Ili ne sin grupigas por komuna atako. Se unu atakas la aliaj preskaŭ ĉiam restas indiferentaj. Ili tute ne komprenas ke oni devas agi kune, se oni volas atingi celon."

Poste venis al mi la jenaj demandoj: Ĉu ĉiuj homoj kiuj sin konsideras saĝaj komprenas ke oni devas sin organizi se oni volas atingi celon? Ĉu ĉiuj Esperantistoj komprenas ke nur per komuna laboro - per komuna atako ni venkos la mondon? Se regas organiza indiferenteco inter la Esperantistoj, kiel ni povas esperi konkeri eĉ pli indiferentan mondon? Ĉu ni volas agi kiel la frenezuloj? Kiam iuj fervoraj samideanoj oferas sian tempon kaj energion - ĉu aliaj inter ni volas agi kiel la mense malfeliĉaj homoj, kaj resti indiferentaj? Kiam vi iam pli poste trovos bonan okazon por enkonduki Esperanton en iun lernejon ĉu vi volos konvinki la lernejestron tute sole, aŭ kun la helpo (konsiloj kaj prestiĝo) de forta nacia aŭ loka organizo?

Se vi konas gesamideanojn kiuj ĝis nun ne estas membroj de E. A. N. A. ĉu vi ne bonvolus rakonti al ili kiel agas la frenezuloj kiel ĝin al mi klarigis la direktoro. Espereble ili komprenos la neceson kaj saĝecon sin organizi, kaj espereble ili fariĝos membroj kaj fidelaj kunlaborantoj de E. A. N. A.

Joseph R. Scherer.

NIA PREZIDANTO Jozefo R. Scherer nun vojaĝas tra Kalifornio, suden kaj norden kaj zigzige kaj donas multajn paroladojn ĉie en la "Ora Stato". En Los Angeles Esperanta Klubo li estis la ĉefa oratoro ĉe la januara kunveno.

THE AMERICAN ESPERANTO ACADEMY

Last month we gave a short sketch of this newly organized group of Esperanto scholars, and published the working plans of its "Committee on Approval." The work plans for its "Criticism Committee" are given below. All of our readers who may think of entering the field of Esperanto authorship, even in a limited or self-cultural way, are asked to take notice of this unique opportunity to profit by expert constructive criticism on easy and simple terms.

Amerika Esperanto-Akademio.

Laborplano, Sekcio "Kritika Komitato."

1. -- Laboro de la Komitato.

La Kritika Komitato akceptos manuskriptojn kaj verkaĵojn ĉiuspecajn, kaj ĉiu ano de la komitato tralegos ilin tre zorge kaj severe, unu ano (laŭ aranĝo inter la estro kaj la anoj de la komitato) laŭ gramatika vidpunkto, alia rilate al la stilo kaj uzo de la vortoj, vortfarado, ktp., kaj la tria juĝos kaj kritikos la enhavon. Ĉiuj kritikintoj metas je la fino de la manuskripto aŭ sur apartan paperon siajn respektivajn opini-esprimojn.

Pluon la komitato ne povas entrepreni. Se iu verkisto aŭ kvazaŭ-verkisto deziras apartan korektigon de sia verkaĵo, li povas peti tian servon private de iu individua akademiano, aŭ de la "Amerika Esperanto-Instituto" kiu okupas sin pri tiaj aferojs kontraŭ sufiĉa honorario laŭ interkonsento inter la verkisto kaj la korektonto.

Se la Kritika Komitato aprobas la verkon aŭ se post la kritikado la verkisto plibonigis la verkaĵon laŭ la konsiloj de la Kritika Komitato, le verko povas esti prezentata al la Aproba Komitato.

2. -- Rekompenco.

La verkisto antaŭpagos al ĉiu ano de la Kritika Komitato kiu tralegos la verkaĵon (rekte aŭ pere de ĝia estro) minimume du dolarojn por ĉiu cento aŭ parto de cento da normalaj paĝoj (skribmaŝine: interspacaj linioj) kaj unu dolaron al la Akademio (pere de la estro de la Kritika Komitato aŭ pere de la help-sekretario.)

La Kritika Komitato. Lehman Wendell, Estro., Karl Froding., James F. Morton.

INTERESTING PROPOSAL IN AUSTRALIA.

Mr. Macartney Abbott, member of the Australian Commonwealth Senate, has introduced a resolution that Australia (together with Britain and the other dominions, if they will,) shall urge the League of Nations to consider the need for compulsory teaching of an international language in the schools of all countries. The resolution stands an excellent chance of passing the Australian senate.

Mr. Abbott is not asking that the Australian government shall sponsor Esperanto specifically, but contemplates that the League of Nations would examine the merits of any language, national or artificial, which aspires to an international role.

(Esperanto in such a forum would have only two enemies to dread, -- ignorance or superficial study, and unreasoning prejudice. But national prejudices could do no more than to stalemate for the present the entire proposal. For any Englishman or German can give convincing reasons why French should not be chosen as universal international language. And any Frenchman, Italian, or South American can tell you promptly why neither English nor German should aspire to that role!)

ESPERANTO SONG BOOK. Away back in July 1916, the E A N A Congress (in session at Annapolis, Md.) commissioned H. I. Keyes, Uniontown, Pa. its Poet Laureate, with instructions to produce an American Song Book. He produced, turned the manuscript over to the E A N A publisher, but for reasons the book never appeared. Recently, Mr. Keyes sent to the Central Office copies of the songs, which the Estraro consider as too good to just occupy a place in a pigeon hole, but should be in the hands of every good Esperantist, and have high hopes of being able, in the near future, of placing before them - not only the Keyes collection, but several other good ones.

REPORT OF THE FINANCE COMMITTEE

(January 15, 1936)

Three hundred and fifty three dollars and seventy five cents is the present total of the donations to EANA's debt retirement fund. And there are still slightly over sixty per cent of our members who have yet to respond to the Finance Committee's appeal. We are at present engaged in a final canvass of these tardy members in the hope that we can enlist their cooperation in bringing our drive to a speedy and successful conclusion.

Following is a list of the donations received from December 16, 1935 to January 15, 1936:

CALIFORNIA. J.R.S. $3.00; A.L.A., $5.00; M.V.S., $5.00............$	13.00
ILLINOIS. G.P.F., $2.00; F.K., $1.50..............................	3.50
NEW YORK. J.L., $1.00; M.M., $3.00................................	4.00
NEW HAMPSHIRE. D.F.H., $2.00......................................	2.00
PENNSYLVANIA. C.C.C. $2.00..	2.00
$	24.50
Previously acknowledge (Sept. 16, Oct. 15, and Dec. 15).................	333.25
Total to Date..$	355.75

We also acknowledge the receipt on December 2, 1935 of a check from Mr. J. J. Sussmuth, Humber Bay, Ontario, for six dollars and fifty three cents payable to Mr. Peter Reilly Philadelphia, Pennsylvania. This check was in payment of an EANA debt which Mr. Sussmuth upon his resignation as Secretary in 1933 assumed as a personal obligation. Since the present Secretary has no record of this account and no knowledge of its existence, it was not included in the estimate of our debt furnished at the beginning of the present drive. It is therefore listed separately and is not included in the above totals.

MAXIMILIAN M. VILLEREAL. Born in Tagbilamu, Bohol. Province, Phillipine Islands, now - and for several years past - connected with the Phillipines' Commission in Washington, a member of the "Little Congress" - (Secretaries to Senators and Representatives), well, and favorably known to members of U. S. Congress and others about the Capitol. That middle initial "M" should have been "P" for persistence, because in the fullest intensity of the meaning of the word is his predominant characteristic - the superintendents of the High Schools in Bohol, Phillipines, and Alameda, California probably know a lot about that. When Max gets an idea that he considers good, nothing under the Blue Sky can swerve or stop him - he will listen patiently to opposition — and just smile. When he became interested in Esperanto — the World Auxiliary Language — he was visibly shocked when told that not all the world - only a few million of its people knew or were studying it, after being almost 50 years before the public. He thought the people responsible for its advancement had been lax in their efforts in propagandizing. He at once went about the task of setting the World right on the language question — everybody MUST LEARN ESPERANTO. Being a native, naturally, he is very diligent in his efforts to advance the interests of his home land. When, on the attainment of independence by the Phillipines, the question of an official language came up — which of the many native dialects should be selected -- (National patriotism precluding the adoption of Spanish, English or other national tongue), the Esperanto idea (ever uppermost in his mind) suggested to Max that the only logical method would be to combine the best elements of the various dialects into one National Language, thereby eliminating all cause for local prejudices and would exert the greatest influence in unifying the country. He has outlined his idea very concisely on a single page 8x11 - and copyrighted it. For the success of his plan, he has our best wishes. If anything should arise to thwart his determination, we have no doubt that his next move will be to make Esperanto the National language - an eventuality which

MAXIMILIAN M. VILLEREAL (Continued)

no doubt will be most pleasing to him -- as well as to the millions of other Esperantists throughout the world.

ZAMENHOF'S BIRTHDAY celebration and the first banquet of La Kanada Esperantista Asocio were combined and held at the Stoodleigh Hotel in Toronto Dec. 14th '35. About 50 present. Norman Todd, Hamilton, Ont., the President of K.E.A. acted as toastmaster. A large number of Hamilton Esperantists attended. Miss Marshall Saunders - Hon. Vice-Pres. of K.E.A. addressed the gathering, extending a welcome to the visitors, and J.J. Sussmuth spoke in Esperanto about the life of Dr. Zamenhof, whom he knew personally. Other speakers, song and music furnished the entertainment.

. . . .

J. J. SUSSMUTH delivered a speech on the subject of Esperanto in the auditorium of the Anglican Young People's Association, Toronto, the evening of Dec. 10th. About 100 were present. After a sample lesson in Esperanto many enrolled in a new course.

In the January American Magazine" under heading "It Takes All Kinds" appears the following: - "In four years Gilbert Nickel, Superintendent of Middletown, Delaware, Public Schools has acquired more than one hundred correspondents in seventy-one different countries, using the International Language Esperanto". This little notice brought several requests for information about Esperanto - some sending real money for textbooks. Profesoro Nickel, ni tre dankas vin.

We are in receipt of a very fine "Guide for Tourists" from the South Manchuria R. R. Co., whose head office is in Darien, Manchuria. It is filled with all sorts of information about the country, with many good pictures of City, Country, industry and Travel. It is written in Esperanto and entitled "Gvidfolio por Vojagantoj". It contains the answers to about any question a tourist might wish information. All progressive governments and Touring associations are fast recognizing the fact that Esperanto is the logical language to reach the UNIVERSE. Their New York office is at 60 E. 42nd Street.

ARTHUR B. BAKER - what a thrill we had on receipt of his EANA-UEA membership renewal. His name is enshrined in the hearts of the early American Esperantists along side that of L. L. Zamenhof. He it was who started the "American Esperantist", in 1907, and did more than any other to interest, unite and hold the Esperantists of America. How eagerly we older fervoruloj waited for, and how avidly we read those precious pages! Arturo, ni tre kore salutas vin.
